

SPONSORSHIP KIT

NANOSEC

CONFERENCE 2018

About Us

NanoSEC is a newly created technical Information Security conference that focuses on all things security for Asia Pacific region, specifically Malaysia and is run by a dedicated group of local IT Security professionals, with the help of volunteers from the community. We are doing this on our own free time out of passion, in hope of making both InfoSec industry and community better.

When & Where?

The event will be held from the 8th - 10th October 2018 at InterContinental Hotel Kuala Lumpur, Malaysia.

There will be a 2-day technical training classes, followed by a 1-day conference the day after.

Target Audience

Every security professionals - CISO, CSO, CTO, security researchers, consultants, penetration testers, security engineers, red & blue team members, IT Security Students, etc, are highly encouraged to come.
